Important information

The gathering of data regarding personal data is submitted to the Dutch Personal Data Protection Act and other privacy legislation, which involves that personal data will be used carefully and abuse will be prevented. The information given will only be used for the goals stated by the school. The forwarding of data to a third party will always be based on legal grounds.

As a parent/guardian and as a student, if over 16 years, you have the right to access, the right of rectification and the right to object to the data enlisted in the schooladministration in accordance with the Dutch Data Protection Act. In applied cases you may contact the schooladministration.

By signing the form, the undersigned declares:

- that he/she is authorized to put a signature and thereby make the signed legally valid;
- that registration on the part of the parents/guardians becomes final;
- that he/she will meet the school's financial obligations and comply with applicable school rules and agreements, which are laid down in the school's school guide (see website);
- that he/she remains liable for any damage caused by the child to property of third parties or school;
- to ensure that the child can also fulfill all school obligations outside school hours (think of doing homework and learning);
- that he/she has provided the information on this form completely and truthfully;
- hereby give permission for the necessary school data to be sent via OSO to the secondary school upon the pupil's departure.

Signee declares to have answered completely and truthfully.
